

Gastein

Mountains full of beautiful moments!

Ski link Schlossalm - Angertal - Stubnerkogel

Schlossalm

The family and adventure mountain
The Schlossalm in Bad Hofgastein offers something for everyone - whether it is action and enjoyment on the fun slope, or a race through the ski movie - on the permanent video-recorded race route. The wide pistes and slopes provide the ultimate joy of skiing and are speedily accessible via the Schlossalm-bahn: 'non-stop to the top'. Freeriders also get their money's worth on the Schlossalm, numerous variants and a ski route guarantee pure "off-piste" fun.

Ski Center Angertal

Your first steps on snow
First attempts on skis and snowboards - especially for children and ski beginners is the Ski Center Angertal with the large exercise area, the easy slopes and the child-friendly lifts exactly the right thing. The Ski Center Angertal is the hub between the Schlossalm and the Stubnerkogel.

Stubnerkogel

Take a look and be bold
The Stubnerkogel in Bad Gastein not only promises breathtaking 360° panoramic views of the surrounding mountain landscape, it also has the right offer for each and every skier. That said, the legendary 140 m long suspension bridge and scenic lookout points such as the Glocknerblick, the Talblick and the Felsenweg also guarantee non-skiers "mountains full of beautiful moments".

Graukogel

Pure nature on the stone pine mountain
There is an unique atmosphere on the Graukogel in Bad Gastein. Aside from the magical scenery, you also get to enjoy pistes covered in all-natural snow. For ambitious skiers, nature and panorama lovers the Graukogel is the place to be.

Sportgastein

Alpine freedom
Adrenaline junkies looking for challenges and deep-snow excitement will find their own corner of heaven here in the region's highest ski area (2,650 m). Whether the mountainsides are covered in fresh powder or coated in firm, you will be able to leave the pistes behind and embark on your personal skiing adventure in freeride terrain. Nonetheless, the groomed slopes have a lot to offer as well. Plus, you will be able to pause whenever you wish to admire the magical mountain vistas.

Dorfgastein-Großarlal

Skiing fun and summit views for the whole family
The Dorfgastein-Großarlal ski swing provides snow assured fun on the pistes on the freshly prepared, sunny slopes. On the Fulseck (2,033 m) a breathtaking view to the summits in the Hohe Tauern awaits you. Winter sports guests will be indulged with delicious regional foods and treats at the alpine restaurants.
